PETITION MOOT

---

## PER CURIAM

On May 17, 2006, Ricky L. Scott filed a *pro se* petition for writ of mandamus in this court contending that the Honorable Bentley Story, Circuit Judge, had failed to act in a timely manner on two requests pursuant to the Freedom of Information Act filed in the Circuit Court of Cross County in separate cases, *Ricky Lee Scott v. Paul Nichols, et al*, CV 2006-53, and *Ricky Lee Scott v. Michael Ladd*, CV 2006-54. Both requests had been filed April 5, 2006.

On May 31, 2006, Judge Story entered an order disposing of the request filed in CV 2006-54. On July 6, 2006, Judge Story entered an order disposing of the request in CV 2006-53. As the court has acted on both requests, the petition for writ of mandamus is moot.

Petition moot.
